Farbcode / Colourcodes / Code couleur

klio trade®

Druckarten / Imprint types / Modes d'impression

Bei den angegebenen Farbcodes handelt es sich um Näherungswerte, die auf dem Pantone, dem HKS oder dem RAL Matching System basieren. Die Farbwirkung kann aufgrund unterschiedlicher Oberflächen, Lichtverhältnisse und Materialien von gedruckten Farbabbildungen abweichen.

The colour codes given are approximate values based on the Pantone, HKS or RAL Matching System. The colour effect can deviate from printed colour images due to different surfaces, light conditions and materials.

Les codes de couleur indiqués sont des valeurs approximatives basées sur le système Pantone, HKS ou RAL. L'effet de couleur peut s'écarter des images en couleur imprimées en raison des différences de surfaces, de conditions de lumière et de matériaux.
